

Term Three - Learn

This term we are looking at different ways that we learn and how learning helps our wellbeing. Having had our assembly you may want to explore the topic further. We have created some short videos as well as some activities to accompany them. You can find more information by visiting our website: www.familytrust.org.uk/collective-worship

Watch - How do we learn

2 minutes

Watch the interviews with people from The Family Trust talking about the different ways they learn. www.youtube.com/thefamilytrustuk

Discuss

5 minutes

- How do you learn?
- Why do we need to learn to follow instructions?
- What sort of strategies do you use to help you improve your learning?

Talk

3 minutes

- What do you think Noah was feeling when he was faced with the challenge of building a huge boat?
- How do you feel when you are faced with a challenge to do on your own?
- How do you feel when you have someone to help you with your challenge?

Watch - Learn how to build a boat

2 minutes

Follow the instructions in the video to build a paper boat.
www.youtube.com/thefamilytrustuk

Do

2 minutes

Now teach someone else to build a boat and then see if it will float!

Inspiring the next generation to explore Christianity.
